**Independence Day celebration on 15<sup>th</sup> August 2018**

It was a red letter day in the history of India, when the country got its freedom on August 15, 1947. It took hundreds of years for us to break shackles of slavery. People of the country celebrate this festival every year with great pomp and show. The main programme is celebrated at the Red Fort in New Delhi. Besides, this festival is also celebrated in every city and town, in school, in college and university.

Our college also celebrates this festival every year. The principal was the chief guest of the programme. She hoisted the national flag in the college building sharp at 8:00 am. All the students & teachers were dressed up in white dress. All the students and Teachers saluted the flag and then sang the National Anthem and followed the cultural programme. Some students presented patriotic poems, songs, group dance, solo dance and skits. In the end, the principal delivered the short speech. She advised the students to become responsible citizens of the country.
