NSS Special Camp Report

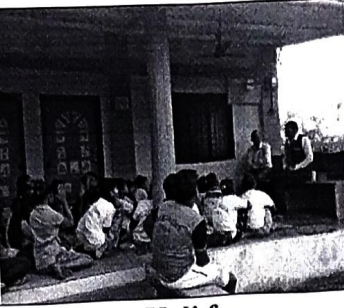

This year's NSS Special Camp was indeed a special one for all the volunteers as the bond between the villagers and volunteers has extended now over three years. 55 NSS volunteers attended the camp at the Pimpalpada Tute, at Post Kharivali, Shahpur which is their adopted village. It was organized from **18th December 2017 to 24th December 2017**. The volunteers came with the intent of making their two projects i.e. Youth for cleanliness and health and hygiene successful in this Village and to the extent the students were successful enough to do so. Most the village people are firm believer in cleanliness and hygiene activities. Also they were interested in construction of soak pits and accordingly the volunteers helped them to construct soak pits around their houses through shramdam. Also volunteers helped for extraction for sand and gravels from the river for construction of toilets. Students also conducted survey on healthy food habits among the villagers. The volunteers also spent good time with the Z.P School students. Participated in their cultural and sports activities. Also our librarian mam Smt. Swati Salunkhe distributed useful sets of books to Z.P School. At the end it was a good learning lesson for all the volunteers. The volunteers left the place with lots of lifetime memories to cherish.
